

Registration

When do I register for WYD?

Registration for World Youth Day in Panama is not yet open; this usually happens 8-12 months prior to WYD itself. If you are traveling with JMJ Youth, the official pilgrimage provider of WorldYouthDay.com, your registration will be set up for you as soon as it is possible, and you will be made aware of any additional information needed from you for its completion.

What is included with my registration?

The WYD registration pack for Panama has not yet been designed and finalized. Historically, your registration includes a backpack, meal card/passes (if applicable), transportation card (if applicable), pilgrim ID, and Cultural and Liturgical Program Guides. It may also include any of the following extras, depending upon the local organizing committee: a pilgrim hat or bandana, a t-shirt, a pilgrim cross or rosary, a water bottle, and/or other bits of literature and memorabilia.
